SO MUCH MORE THAN PLAYTIME

WHEN SCHOOL'S OUT, THE Y IS IN!

Parents love our Y After School Program, designed to get kids engaged in activities that support their growth in and out of the classroom. From homework help to STEM presentations and healthy meals to active play – the Y's After School Program provides far more than just a safe place.

The Y understands that the future of our community depends on the success of children. Our program is restructuring to include three key components:

ACADEMIC SUCCESS

We know that not all children have what they need to thrive academically. That is why we support them with strong role models and enriching experiences that promote academic success.

HEALTHY MOVEMENT

As the leader in youth development, we understand the importance of providing our participants with time for active play and sports. Getting kids moving and having fun is essential to their overall health.

NUTRITIONAL SUPPORT

Children need to be fed to focus. The Y After School Program provides healthy, nutritious suppers and snacks to children each day, while including a structured curriculum on nutrition and healthy eating.

Who

Boys and girls ages 5-12.

Hours

Afterschool care operates from school dismissal to 6:00 p.m. The program will remain open on teacher workshop days, holiday breaks and snow days at a designated location.

Financial Assistance

Through the generosity of the YUSA Year Round Feeding Program Grant, Share Our Strength's No Kid Hungry Afterschool Grant, Foundation For Roanoke

Valley, Sam and Marion Golden Helping Hands Foundation, and other organizations and individuals, the YMCA can offer assistance to anyone in need. We make a point to see that anyone can attend the program regardless of ability to pay full price. For more information, call 342-2332.
