

THE YMCA MAGIC PLACE

When School's Out The "Y" Is In!

With the increase in single-parent families and two-parent families in which both parents work outside the home, quality child care before and after school hours has become a universally recognized need.

The YMCA Magic Place, in cooperation with Roanoke City, Salem City and Botetourt County schools, is providing a school-age child care program before & after school for children ages 5 through 12.

The YMCA Magic Place gives children a fun place to go with supervised homework and tutoring, athletic activities, varied indoor activities and an afternoon snack.

MISSION STATEMENT

The YMCA of Roanoke Valley is an association of people of all ages, ethnic backgrounds and religious affiliations. We are united in a common effort to put Christian principles into practice through programs that build a healthy spirit, mind and body for all.

THE YMCA MAGIC PLACE

When School's Out The "Y" Is In!

The YMCA offers quality programs in a safe, supportive environment that fosters the physical, social and emotional growth of each child. We strive to support the family unit and provide a desirable alternative for parents. Most important, the YMCA Magic Place program enables parents to have a feeling of confidence that their child is being well cared for.

Goals

- To help children develop to their fullest potential.
- To strengthen and support the family unit.
- To provide a fun, safe and positive experience based on each child's needs and abilities.

Hours

After school care will operate from school dismissal to 6:00 p.m.

The program will remain open on teacher workshop days, holiday breaks and snow days at The Kirk Family YMCA.
